

1. Our goal: this is to try to rejoin all the sons of the Northwest so we could form a basis in Florida
2. His dream: This is to be able to mark all the neighborhoods of the 2nd Section of Port-de-Paix in portable water, electricity, roads, and schools.
3. To realize his dream, his reflection is not other than to invite all the sons of the Northwest to contribute widely for the reconstruction of our community and become a member of this organization.

Mission Statement:

To help those who can not help themselves.

To teach those who can not find alternative methods to reach their goals.

To roll up our sleeves, and join in, to reach the community's goal.
