

1. Our goal: this is to try to rejoin all the sons of the Northwest so we could form a basis in Florida.
2. Our dream: This is to be able to mark all the neighborhoods of the 2nd section of Port-de-Paix in portable water, electricity, roads, and schools.
3. To realize our dream, our reflection is not other than to invite all the sons of the Northwest to contribute widely for the reconstruction of our community and become a member of this organization.

### Mission Statement

To help those that can not help themselves.

To teach those who can not find alternative methods to reach their goals.

To role-up our sleeves, and join in, to reach the community's goal.
